

## West Potomac High School PTSA All Night Graduation Celebration

December 5, 2017

Dear Friend of West Potomac High School,

The All Night Graduation Celebration for West Potomac High School seniors is a tradition in our community. This event provides a safe, fun, supervised alcohol and drug-free night for our seniors following their graduation ceremony that will take place on June 8, 2018. We need your help to make their graduation celebration a memorable occasion.

Planning and fundraising for this event is coordinated entirely by the parents of the graduates. We receive no funding from the school or Fairfax County. While we are planning several fund raising activities (including our annual West Potomac Car Show), we also rely heavily on sponsorship from generous professionals, businesses and organizations within our community to reward our graduates with a fun-filled celebration of food, games, prizes and entertainment in a safe environment. We need your support to make this happen.

Our students and parents live, work and shop within your business radius so your generosity is also an opportunity to promote your business. We have access to hundreds of families in our area and fully intend to express our gratitude for your support in every way possible. We have a website to make and recognize donations ([www.angcwestpotomac.com](http://www.angcwestpotomac.com)) and we will also announce your business through school message links promoting the event, on banners at sports games, and on Car Show t-shirts and All-Night Graduation Celebration t-shirts. As an added bonus, your donation is tax-deductible.

We are so proud that our children have worked hard in school and have grown into such fine young people. Please help us honor their achievements by making a contribution to the ANGC so that our graduates can celebrate this special evening.

Our parents, teachers and students thank you for your consideration.

Julene Joy and Ilene Lewis
